FROM THE CHOIR LOFT

I would like to take this opportunity to thank all of you for the wonderful day and dinner on Sunday, May 16th, and the many good wishes you gave me. I do not deserve all those good thoughts, God deserves the Praise, but I thank you for them. The monetary gift was overwhelming. Thank you for a very special day!

None of this would be possible without the help of our incredible organist and my friend, Marjorie Morgan, our music department and the many singers and ringers, with whom I have had the privilege of working. We have many talented musicians in our Centenary family. I look forward to the future musical progress at Centenary.

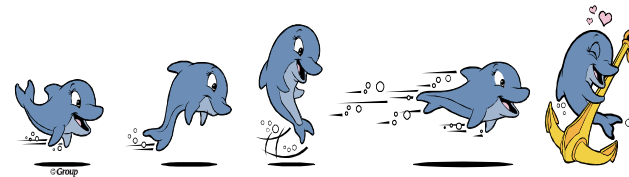

Thank you for allowing me to be a part of this great team at Centenary and thank you for your many gifts.

THANK YOU

Dear Pastor Jack and Congregation:

Charles and I want you to know we appreciate very much the support and assistance you provided recently on the occasion of our daughter's death.

The use of the church's facilities for the visitation, service and meal afterward, the printed programs, the gift of the paper and plastic products, the cooler filled with ice and especially your thoughts and prayers caused us to feel showered with love, and was very helpful at such a sad time.

Love, Charles and Sandra Gee
