YOUTH

SPAM is a group on the move! They are truly **Students Participating Actively in Missions**. The wonderful group of seven teens just spent several days at Centenary Camp helping out with the Hispanic outreach day camp - they had committed to helping for two days. After the first day, they were all asking can we come back. I'm so proud of each of them. They were great examples of God's love. They are all growing in many different ways, but most of all in showing God's love through their actions. Elly is now considered a college student but she was a great asset to the camp all week. I just wanted to sing her praises too. It's hard to believe that June is over and we are approaching July way too fast. The month of July will be fun and furious – watch out for the teens, they are on a roll!
