*Litany Call to Worship

God invites us to turn from the tumult of a world that is passing away, and focus our thoughts and attentions on things that are lasting.

In God's presence we see our lives more clearly; in Him the fragments of life are held together.

God calls us out of our selfish desires into community.

Worshipping together, and caring about others, we find out what it means to be true followers of Christ and fully human.

As we join in heart, soul and Spirit, God is magnified among us.

It is the unique shared experience of loving and being loved by our Creator God that draws us to this time and place.

Together we will celebrate faith, and praise the Lord our God.

*Hymn of Praise

Come! Come! Everybody Worship

#2271 TFWS

*Affirmation of Faith

We affirm that the God of Abraham, Isaac and Jacob, the God of Miriam, Hannah and Mary is our God.

We believe that God has come to us in human life, taking the form of a humble servant in Jesus of Nazareth, as recorded in God's Holy Bible.

We further believe that Jesus of Nazareth suffered the pain and shame of the cross to provide for our redemption from sin and our salvation of eternal life.

God then demonstrated ultimate power over sin and death by raising Jesus from the dead and declaring that Jesus Christ is the name above all names.

We believe God has given us new life and freedom in the fullness of the Holy Spirit who guides and empowers the community of believers --the church.

We believe that in the end of time, God's rule of peace and justice will be fully established and that Jesus will reign in a reality of Glory forever and ever.
