*Call to Worship

Another new day has dawned for us. God's gift of life is renewed.

We Praise God for today.

We Praise God for his creating, sustaining and redeeming powers.

Be calm and meditate. Acknowledge God is here among us! Enjoy the Spirit moving through the hearts of the people.

We are ready to move with the Spirit, worshipping with praise and prayers.

Receive and respond as God continually meets us in new and various ways, here in worship and every day in our daily lives.

We want more and more of God. Our lives are as sponges waiting to be saturated by God until we are dripping God everywhere!!
