He Leadeth Me: O Blessed Thought

*Affirmation of Faith

We believe that in many and various ways God spoke of old to our mothers and fathers by the prophets, but in these last days, He has spoken to us by a Son, whom He appointed to be the heir of all things, through who also He created the world. The Son reflects the glory of God and bears the very stamp of His nature, upholding the universe by His Word of power.

We believe that in the fullness of time God sent forth His Son, born of a woman, born under the law, in order that He might redeem those who were under the law, that we might receive adoption as His children.

We believe that God sent His Son into the world, not to condemn the world, but that the world might be saved through Him.

We believe that the Word which was with God and was God, became flesh and dwelt among us, full of grace and truth, revealing God's full glory.

We believe that God so loved the world that He sent His only Son, that whoever believes in Him should not perish but have eternal life.

We believe whoever has the Son has life and whoever does not have the Son does not have life.
